CIRCUMCISION CONSENT FORM

Effective December 1, 2002, North Carolina Medicaid will no longer cover routine newborn circumcisions. Therefore, any expense incurred for a newborn circumcision must be paid for by the parent or legal guardian of the child. The cost of a newborn circumcision is $150.00 and must be paid by cash, check or credit card at the time of service. Arrangements for a payment plan can be made by calling our office prior to the procedure at 828-262-0100.

I have read and understand the above policy on Newborn Circumcisions and agree to be responsible for the cost. I have been given payment options and choose the following:
